earning him a spot among the league's top running backs. However, the Browns also employ other capable running backs, including D'Ernest Johnson and demario dixon Jr. These players bring unique skills to the table, offering a balanced approach to the team's ground game. The team's running back depth chart can be seen as a key factor in their ability to adapt to different game situations. For instance, when Chubb was injured earlier this season, the Browns relied heavily on D'Ernest Johnson to fill the void. Johnson's performance was decent, but the team's overall ground game suffered as a result of the lack of Chubb's explosiveness. This highlights the importance of a deep and talented running back corps, allowing the team to maintain a consistent level of performance even in the face of injuries. According to Mary Kay Cabot, Kenny Pickett is slated to be QB1 on the
