Act (ADA) and streamlines case tracking for everyone from pro se litigants to seasoned law firms. The shift to a fully online system addresses three persistent pain points that have long hampered public access to court information. First, printed calendars often arrived late or were unavailable at local clerk offices, forcing parties to make costly trips to verify dates. Second, the static format limited keyword searches, meaning users could only locate cases by leafing through pages manually. Third, the previous system fell short of modern accessibility standards, leaving individuals with visual or motor. Access to the digital calendar is provided through the official Chittenden County website under the “Court Services” dropdown. Once on the portal, users can: Search by case number, party name, or attorney using a simple input box that returns results in seconds. Set calendar alerts via email or SMS, ensuring parties receive automated reminders 24 hours before a hearing.
